# THE SOUTH BEND ROTARY CHARITABLE FOUNDATION

The Rotary Club of South Bend is unique among the Rotary Clubs throughout the world in that we have our own local foundation dedicated to supporting our community. Annual events and gifts continue to grow this asset which now has a principal balance in excess of \$1,000,000. The earnings from our foundation are the source of funding for the following programs:

- The Phoenix & Vagner Awards – Partial financial scholarships for local area high school students who have overcome great hardship in their life. Each year, 3 students are awarded a \$5000 per year for up to four years for a total not to exceed \$20,000 over the students' college career.
- Philanthropic Award – A \$15,000 gift given annually to support capital projects by not-for-profits (brick and mortar expenses only) in the South Bend area. Previous gifts have helped fund renovations to the Kennedy Primary Academy Planetarium (2017); improvements to the Potawatomi Zoological Society amphitheater (2018); restoration of infrastructure (electrical and other upgrades) to Dismas House (2019).
- Community Impact Award – An award of up to \$15,000 for any worthy cause the current year's club president and BOD deems notable. Gifts are after each fiscal year beginning July 1.
